About KidsPlay Children's Museum

Founded in 2012, KidsPlay Children's Museum operates 11,000+ sq. ft. of interactive, hands-on exhibits. The Museum's exhibits and programs are designed for children ages 1 to 10 and incorporate research on the cognitive and social-emotional benefits of purposeful play. 2022 marks KidsPlay's 10th "birthday" as an innovative destination for families in downtown Torrington!

Since its inception, KidsPlay has welcomed over 276,000 visitors and has been recognized by the Connecticut Economic Resource Center, Inc. (CERC) for positively impacting the Northwest Connecticut economy. The Museum has also received the Quality of Life award from the Northwest Connecticut Chamber of Commerce. The Museum's growth reflects vital steps in downtown Torrington's redevelopment as an active cultural, arts, economic, and educational center.

We recognize that play is integral to every child's learning and development. Our current exhibits encourage the growth of a variety of skills, including literacy, numeracy, STEM learning, and creativity, all through a combination of purposeful and imaginative play.

KidsPlay is a destination that provides rich learning opportunities that are important to today's families. Through its exhibits and programs, the Museum sparks curiosity, innovation, and creativity. KidsPlay's continuing goal is to prepare children to thrive and contribute to a vibrant community.

Mission

Provide children with an environment that fosters imagination and creativity through interactive exhibits and play that will deepen their appreciation and understanding of the sciences, the arts and the world around them.
